Welcome

On behalf of the City of Eaton Rapids, I am pleased to extend my warmest welcome to all Springhill residents during this time of potential transition. Please take this opportunity to view all of the materials being provided to you regarding our wonderful city.

I have personally lived in Eaton Rapids for only five years, but have fallen in love with its small town charm. A rich history and sense of community are apparent throughout its tree-lined streets. Located less than 20 minutes from the GM Delta Plant in Lansing, it is also close to the state capitol, shopping malls, colleges, sports facilities, major airports and theater/entertainment venues.

Known as the "Island City," Eaton Rapids is idyllically nestled at the juncture of the picturesque Grand River and Spring Brook. Enjoy a quiet stroll alongside the gently flowing river or visit our active downtown district, where you can get a cup of premium java or relax in one of our nearby parks.

Family-friendly and within an easy commute of an array of cultural and recreational venues in nearby Lansing, Jackson and Battle Creek, Eaton Rapids is an ideal location for your business or to raise a family.

- 7 city parks with extensive amenities
- Full service medical center
- Variety of restaurants
- Festivals, celebrations and parades throughout the year
- Rich history dating back to 1836
- One of the lowest property tax rates in all of Lansing area

I look forward to seeing many new faces in Eaton Rapids over the next few months. I wish you well and invite you to contact me if I can be of any assistance during your transition.

Best wishes,

Steven G. Platte
Mayor of Eaton Rapids
