Dear Interested:

Re: Eaton Rapids Football / Update

Getting to know the players

The initial priority has been to make contact with as many of the team members as I can. This is progressing well and seems to be on schedule. I have been very encouraged by the demeanor of the young men that I have met thus far.

Out of season strength training

We have been lifting on Mondays, Wednesdays, and Fridays, right after school. Our numbers are running between 5 and 7 each night. This number needs to continue to grow but I am very encouraged by the number of athletes who have been strength training in preparation for other sports like Track and Baseball. It is a great bonus to have Coach Fast available on these nights as he is a wealth of knowledge in the area of fitness. I believe that we can develop a great synergy in the Greyhound weight room.

Assistant Coaches

This process is now roughly 75% complete. I am doing my homework and purposefully taking my time with this because of the importance of assembling a compatible and loyal staff. I understand that there are a number of coaches who have been dedicated to and associated with the Eaton Rapids Football program prior to my hire. It is not my intention to leave interested coaching candidates in the dark and I certainly do not wish to disrespect anyone as I acclimate myself to the Eaton Rapids system. Be assured that I am investigating all areas with respect to this process and will be making the necessary contacts at the appropriate time.

Information

I am planning a number of parents meetings with the first one scheduled for Wednesday January 18th at 7:30PM in the HS. This will be a fairly informal meeting as I am very excited to meet the parents of these fine young men. I am interested in what you think and in developing a positive working relationship with all of you.

As always, you are welcome to contact me at cardinalpest@gmail.com I will endeavor to keep everyone updated as regularly as I can through the school web site.

Sincerely,

Coach Norm Moran
